

Student Academic Handbook 2026

Section 1: Academic Integrity

All students are expected to maintain the highest standards of academic integrity. Plagiarism, cheating, and unauthorized collaboration are strictly prohibited and may result in immediate expulsion.

Section 2: Attendance Policy

Attendance is mandatory for all core classes. A student is permitted a maximum of three (3) unexcused absences per semester. Exceeding this limit will result in an automatic grade deduction of 5% from the final course grade per additional absence. Excused absences require

a valid medical certificate submitted within 48 hours of the missed class.

Section 3: Failing a Course

If a student fails a core course (receiving a grade below C-), they are required to retake the course in the subsequent semester. A course can only be retaken once. If a student fails the same core course twice, they will be placed on academic probation. During academic probation, the student must maintain a GPA of 2.5 or higher to remain enrolled in the university. Failing an elective course does not require a retake, but the failing grade will be calculated into the cumulative GPA.
